

Media Manager

-Ghid Utilizare-

Subsemnatul Tugui Stefan-Cristian declar pe propria raspundere ca acest cod nu a fost copiat din Internet sau din alte surse.

Tab 1:

The screenshot displays the 'Media Manager' application window. At the top, there is a title bar with the text 'Media Manager' and standard window control buttons (minimize, maximize, close). Below the title bar, the 'Add Media' tab is selected, with a 'Browse' button next to it. The main content area is divided into two sections: 'Premade Properties' and 'Custom properties'. The 'Premade Properties' section contains an 'Open' button, a dropdown menu, a 'Location:' label with a text input field, an 'Event' label with a text input field, and a 'Persons:' label with a dropdown menu and a '+' button. The 'Custom properties' section contains a 'New Attribute:' label with a dropdown menu and a '+' button. At the bottom center of the window, there is an 'Add' button.

Adaugare Media:

Pentru a incarca un fisier media sau un folder ce contine fisiere de tip media, apasati butonul

Open

Dupa incarcare, selectati din casuta drop down fisierul dorit.

Tab 2:

The screenshot shows a window titled "Media Manager" with standard window controls (minimize, maximize, close) in the top right corner. The window has two tabs: "Add Media" and "Browse", with "Browse" being the active tab. Inside the "Browse" tab, there is a search bar at the top with a "Search" button to its right. Below the search bar is a section titled "Search Results" which contains a large blue rectangular area with a downward arrow, indicating a dropdown menu. To the left of this area, there are four labels with corresponding input fields: "Location:" with a text box, "Event:" with a text box, "Persons:" with a dropdown menu, and "Extra:" with a dropdown menu. At the bottom center of the "Search Results" section, there is a "Delete" button.

Cautare:

Pentru a cauta un fisier din baza de date, introduceti in primul camp cuvintele cheie asociate fisierului cautat, apoi apasati **Search**. (Cautarea cu campul null returneaza toate inregistrarile din baza de date).

Pentru a vizualiza un rezultat, selectati calea asociata fisierului din lista drop down.
